RE: Johnson Fork-Loop Creek Pollution Abatement Project; FCCEA Matter No. 2019-002
Abatement Action Order No. 2021-002-9.5(b)-001
Received by Westport Insurance Corporation on May 10, 2021

Dear Mr. Callaghan:

I write in response to the above-referenced Abatement Action Order ("Order") received by Westport Insurance Corporation ("Westport"). Section XX.b. of the Order indicates the date of production was intended to be April 2, 2021; however, the order is dated May 4, 2021, and Westport did not receive the Order until May 10, 2021. Pursuant to Section VIII of the Order, Westport hereby notifies you that it intends to timely and competently comply with the Order and notes that searches for responsive records, if any, are underway. Westport anticipates further responding within the next 30 days.

Please contact me with any questions regarding this response.

Yours sincerely,

Scott Rose/lr
