Disaster Recovery Center Opens in Fayette County West Virginia

CHARLESTON, W.Va.– A state-federal Disaster Recovery Center will open tomorrow, June 12, 2024, at 8 a.m. at the Memorial Building in Fayetteville, WV to help West Virginia residents affected by the April 2-6 severe storms. Individuals in Boone, Cabell, Fayette, Kanawha, Lincoln, Marshall, Nicholas, Ohio, Putnam, Wayne and Wetzel counties can apply for assistance from FEMA.

Disaster Recovery Centers serve as one-stop shops for eligible storm survivors seeking one-on-one help. Representatives from the Federal Emergency Management Agency (FEMA) and the U.S. Small Business Administration (SBA) are at the centers to answer questions. Centers are open 8 a.m. to 6 p.m., Monday through Saturday.

If you have received a letter from FEMA about your application status, visit a DRC to learn more about next steps. DRC staff can help you submit additional information or supporting documentation for FEMA to continue to process your application and answer any questions you may have.

The center is located at:

Disaster assistance may include grants to help homeowners and renters pay for temporary housing, essential home repairs, personal property replacement, and other serious disaster-related needs not covered by insurance.

SBA offers low-interest disaster loans for businesses of all sizes, homeowners, renters, and private non-profit organizations. SBA disaster loans may cover repairs, rebuilding, as well as the cost of replacing lost or disaster-damaged real estate and personal property.
