As the legal owner of the above real property, I give consent for the agents or employees of Fayette County, West Virginia (Fayette County) and/or the agents and employees of the Fayette County, West Virginia Land Reuse Agency (LRA) to enter onto my/our property to inspect the structure(s) on the property for the purpose of preparing a bid as to the cost of demolition and disposal of the structure.

I understand that the bids obtained through the inspection of my/our property will be used to apply for grant funding by Fayette County and/or the LRA to cover the cost of demolition and disposal of the structure(s) on my/our property. I understand and acknowledge that by allowing inspection of my/our property that there is no guarantee that funding will be available for the demolition and disposal of the structure(s) on my/our property. I also understand by authorizing the inspection of my/our property that I am under no obligation to allow Fayette County or the LRA to demolish the structure(s) on my/our property at a later date. I understand that if grant funding is obtained and available to demolish and dispose of the structure(s) on my/our property that I/we will be required to sign additional documents authorizing the demolition and disposal of the structure(s).

The above property will remain under my/our ownership and neither Fayette County nor the LRA will acquire any interest in the property. Should Fayette County or the LRA demolish the structure(s) on my/our property through grant funding that I/we will be under no obligation to repay any portion of the funds expended during the demolition and disposal process and that such expenses will be paid by Fayette County or the LRA from grant funding. I further understand that I will receive no compensation from Fayette County or the LRA for the disposal of materials or for the contents of the structure(s) should the same be demolished.

I further agree to hold Fayette County, the LRA, the employees and agents of the same harmless for any occurrence arising from the inspection of the structure(s) on the above property.
